

the Saxophone and introduces the "noseophone," a new musical instrument.

GREAT PROGRAMME AT THE LYRIC.

Next week at the Lyric will be a great one. The programme is fully up to the standard set by this popular house. It includes Tony Rider and his wonderful dogs and monkeys, Willis & Barron in "Hooligan, the Insurance Agent," Leon Le Chartiers, Gill Talbot Co., Robert De Vau, Curtis and Adams, Dutch Comedians.

TRUTHS.

Although democrats have not been very numerous either in this state or in the nation of late years, the party is not by any means dead. This was made evident on Thursday evening at the Commercial club when a large number of the faithful celebrated Jefferson day by a banquet and patriotic and enthusiastic addresses. L. R. Martineau was toastmaster and speeches were made by John Dern, Mrs. H. J. Hayward, J. R. Letcher, Stephen L. Richards, Mrs. E. J. D. Roundy, S. R. Thurman, Frank K. Nebeker, C. S. Varian, Thomas N. Taylor, Fisher Harris, and Mrs. Rebecca Brown. It was a representative gathering and the evening passed most pleasantly. The keynote was Bryan for president, hope and a determination to fight to the last ditch, win or lose.

The new board of trustees of the Agricultural College is starting out all right. They are determined to make the College a real agricultural college and will spare no effort to accomplish that end. Those people who pretended to think that a change of management of the institution and a change of programme meant ruin will be disappointed.
